### **SMOKIN' JACK'S ANNOUNCES GRANVILLE EXPANSION** *Second Morgantown-area Location Building on Success*

December 20 – Smokin' Jack's, an area institution for nearly thirty years famous for its unique smokehouse food and live music, announces it will open its newest location in 2019 – its third overall, and second in the greater Morgantown area. Smokin' Jack's Granville will be located at University Town Center.

“We have been embraced by the greater Morgantown area, and our new Granville location will knock everybody's socks off,” said company CEO J. D. Mann, Smokin' Jack's offers first-class, smokehouse food, trademark wing and dipping sauces, and more, in a fun and family-friendly atmosphere, featuring regular live music acts. Smokin' Jack's Granville will be a purpose-built location, allowing for a customer-driven design straight from the drawing board.

“Smokin' Jack's is about having a great time in a great atmosphere,” Mann said. “Come by and enjoy our outstanding menu, wonderful staff members and live music, in a fun and welcoming setting.”

“With our special events like bike night, swamp fest, wild game fest, live music, specialty wing sauces, and the best smokehouse food you're ever going to experience, Smokin' Jack's is going to be one of the biggest things to hit the University Town Center area,” said Mann.

Smokin' Jack's Granville location is the latest in a series of new openings and ventures for the company, and expanding its base in the heart of Mountaineer Country positions the chain for a strong future.
